

20011550 | Staple gun

Light, easy to handle staple gun for DIY and home projects or easier professional jobs. Made in tough, robust plastic, users appreciate features such as high performance, long working life and its ability to cope with regular use. The R83E's 2-step force adjuster can be set to reflect different types of material and the length of staple being used. Ideal for furniture upholstery, decorative work with diverse textile types or fastening of carpets, quilts or leather. Can also be used with 15 mm brads for effective fastening of thinner boards and other light carpentry work.
